Sir:

**TERMINAL DISCLAIMER**

Assignees, Institut Pasteur, duly organized under the laws of France and having its principal place of business at 28, rue du Docteur Roux, 75724 Paris, CEDEX 15, France, and Institute Nationale de la Recherche Agronomic, duly organized under the laws of France and having its principal place of business at 147, rue de l'Universite, 75341 Paris Cedex 07 France, France, represent that they are the assignees of the entire right, title and interest in and to the above-identified application, Application No. 09/918,485, filed August 1, 2001, for Nucleotide Sequences Coding for Polypeptides Endowed with a Larvicial Activity Toward Lepidoptera in the names of Sanchis et al., as indicated by assignments duly recorded in the United States Patent and Trademark Office at Reel 5338, Frames 624, 626, and 628 on July 31, 1990, copies of which are

attached. Assignees, Institut Pasteur and Institut National de la Recherche Agronomique, further represent that they are the assignees of the entire right, title, and interest in and to U.S. Patent No. 6,110,734, as indicated by the same assignments duly recorded in the United States Patent and Trademark Office at Reel 5338, Frames 624, 626, and 628 on July 31, 1990.

To obviate a double patenting rejection, Assignees hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior U.S. Patent No. 6,110,734, Assignees hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantees, their successors or assigns.

In making the above disclaimer, Assignees do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that the prior patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or in part, is terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned are authorized to act on behalf of assignee Institut Pasteur and  
Institute Nationale de la Recherche Agronomic.

We hereby declare that all statements made of our own knowledge and belief are  
true and that all statements made on information and belief are believed to be true and  
further that these statements were made with the knowledge that willful false statements  
and the like so made are punishable by fine or imprisonment, or both, under Section  
1001 of Title 18 of the United States Code and that such willful false statements may  
jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

assignee, its successors, legal representatives and assigns, that the said assignors will, whenever counsel of the  
said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding  
in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with  
Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or  
that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or  
extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents,  
take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, en-  
forcement and defense of Letters Patent for said inventions, without charge to the said assignee, its successors,  
legal representatives and assigns, but at the cost and expense of the said assignee, its successors, legal represen-  
tatives and assigns.

AND the said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the  
United States to the said assignee, as the assignee of said inventions and the Letters Patent to be issued thereon  
for the sole use and behoof of the said assignee, its successors, legal representatives and assigns.
